

# Contractor Job Site Safety Evaluation Checklist

## ENTRANCE

- | Y                        | N                        |   |
|--------------------------|--------------------------|---|
| <input type="checkbox"/> | <input type="checkbox"/> | Clearly marked entrance or jobsite with our Company name or other signage (contractors name or physical address). <b><i>(We recommend high reflective or illuminated entrance for night time deliveries.)</i></b> |
| <input type="checkbox"/> | <input type="checkbox"/> | Entrance and/or job site free of obstruction (i.e., vehicles, construction equipment or building materials)   |
| <input type="checkbox"/> | <input type="checkbox"/> | Available spotters or traffic control if trucks are required to back in from roadway  |
| <input type="checkbox"/> | <input type="checkbox"/> | Available spotters or traffic control when working in active traffic  |

## OVERHEAD HAZARDS (Minimum Clearance for Mixer Trucks is 12'4")

- | Y                        | N                        |  |
|--------------------------|--------------------------|--|
| <input type="checkbox"/> | <input type="checkbox"/> | Electrical Wires                             |
| <input type="checkbox"/> | <input type="checkbox"/> | Trees  |
| <input type="checkbox"/> | <input type="checkbox"/> | Building Eaves or Overhangs                  |
| <input type="checkbox"/> | <input type="checkbox"/> | Low Overhead Doorways                        |
| <input type="checkbox"/> | <input type="checkbox"/> | Other (i.e., scaffolding, man-lifts, cranes) |

## GROUND HAZARDS

- | Y                        | N                        |   |
|--------------------------|--------------------------|---|
| <input type="checkbox"/> | <input type="checkbox"/> | Sidewalks, Driveways, Landscaping   |
| <input type="checkbox"/> | <input type="checkbox"/> | Meters, Valves, Sprinklers  |
| <input type="checkbox"/> | <input type="checkbox"/> | Open Excavation (inquire about 1ft rule)  |
| <input type="checkbox"/> | <input type="checkbox"/> | Ground Conditions (i.e., soft soil, mud, ice, uneven, side hill)                      |
| <input type="checkbox"/> | <input type="checkbox"/> | Buried or Unseen Hazards (i.e., drain fields, septic tanks, shallow buried utilities) |
| <input type="checkbox"/> | <input type="checkbox"/> | Contractor Tools  |
| <input type="checkbox"/> | <input type="checkbox"/> | Minimum Width Opening (11 ft to get truck into job)                                   |

## TRAFFIC

- | Y                        | N                        |  |
|--------------------------|--------------------------|--|
| <input type="checkbox"/> | <input type="checkbox"/> | Active Roadway Traffic   |
| <input type="checkbox"/> | <input type="checkbox"/> | Job Site Construction Traffic  |
| <input type="checkbox"/> | <input type="checkbox"/> | Foot Traffic (i.e., pedestrians, inspectors, lab technicians, finishers, ground crew, other contractors) |

## DESIGNATED TRAFFIC PATTERN

- | Y                        | N                        |   |
|--------------------------|--------------------------|---|
| <input type="checkbox"/> | <input type="checkbox"/> | Unrestricted Access Around Job Site (free of vehicles, equipment, building materials) |
| <input type="checkbox"/> | <input type="checkbox"/> | Designated Staging Areas  |
| <input type="checkbox"/> | <input type="checkbox"/> | Designated Gravel Stock Pile Areas  |
| <input type="checkbox"/> | <input type="checkbox"/> | Designated Wash Out Areas   |
| <input type="checkbox"/> | <input type="checkbox"/> | Informed Spotters – when backing is required  |
| <input type="checkbox"/> | <input type="checkbox"/> | Informed Spotters – when other work is being performed around company equipment       |
| <input type="checkbox"/> | <input type="checkbox"/> | Designated Exit Routes (if different than entrance)                                   |

**Please advise your service representative when scheduling delivery/job of any concerns marked yes so they can alert driver of possible hazard. Addressing these concerns prior to truck arrival will help in making this a safer and more efficient delivery. If you have any concerns or questions please contact a representative of our Company for assistance. Thank you for your cooperation.**
